I'm not sleepy and there is no place I'm going to.
G A D G
Hey! Mr. Tambourine Man, play a song for me,

In the jingle jangle morning I'll come following you.

[Verse]

G A D G
Though I know that evenings empire has returned into sand,
D G
Vanished from my hand,
D G A
Left me blindly here to stand but still not sleeping.
G A D G
My weariness amazes me, I'm branded on my feet,
D G
I have no one to meet
D G A
And the ancient empty street's too dead for dreaming.

G A D G
Hey! Mr. Tambourine Man, play a song for me,

In the jingle jangle morning I'll come following you.

[Verse]

G A D G
Take me on a trip upon your magic swirling ship,
D G D G
My senses have been stripped, my hands can't feel to grip,
D G D G
My toes too numb to step, wait only for my boot heels
A
To be wandering.
G A D G
I'm ready to go anywhere, I'm ready for to fade
D G D G
Into my own parade, cast your dancing spell my way,
A
I promise to go under it.

[*Chorus]

Hey! Mr. Tambourine Man, play a song for me,

I'm not sleepy and there is no place I'm going to.
G A D G
Hey! Mr. Tambourine Man, play a song for me,
D G A D
In the jingle jangle morning I'll come following you.

[Verse]

G A D G
Though you might hear laughing, spinning, swinging madly across the sun,
D G D G
It's not aimed at anyone, it's just escaping on the run
D G A
And but for the sky there are no fences facing.
G A D G
And if you hear vague traces of skipping reels of rhyme
D G D G
To your tambourine in time, it's just a ragged clown behind,
D G D
I wouldn't pay it any mind, it's just a shadow you're
G A
Seeing that he's chasing.

[Chorus]

[Bridge]

G A D G
Then take me disappearing through the smoke rings of my mind,
D G D G
Down the foggy ruins of time, far past the frozen leaves,
D G D G
The haunted, frightened trees, out to the windy beach,
D G A
Far from the twisted reach of crazy sorrow.
G A D G
Yes, to dance beneath the diamond sky with one hand waving free,
D G D G
Silhouetted by the sea, circled by the circus sands,
D G D G
With all memory and fate driven deep beneath the waves,
D G A
Let me forget about today until tomorrow.

[Chorus]

G A D G
Hey! Mr. Tambourine Man, play a song for me,
D G A
I'm not sleepy and there is no place I'm going to.

Me myself, I got nothing to prove.

[Instrumental]

Cmaj7 G Em D x2

[Verse 2]

Cmaj7 G
You got a fast car.
Em D
I got a plan to get us out of here:

Cmaj7 G
Won't have to drive too far

 Em D
 He live with the bottle, that's the way it is.

 Em D
 His body's too young to look like his.
 Cmaj7 G Em D
 My mama went off and left him, she wanted more from life than he could give,

They say everything can be replaced
They say every distance is not near
So I remember every face
Of every man who put me here

I see my light come shinin'
From the west down to the east
Any day now, any day now
I shall be released

They say every man needs protection
They say that every man must fall
Yet I swear I see my reflection
Somewhere so high above this wall

I see my light come shinin'
From the west down to the east
Any day now, any day now
I shall be released

Now, yonder stands a man in this lonely crowd
A man who swears he's not to blame
All day long I hear him shouting so loud
Just crying out that he's been framed

I see my light come shinin'
From the west down to the east
Any day now, any day now
I shall be released

It's alright Ma - Bob Dylan

G/b

Darkness at the break of noon

D

Shadows even the silver spoon

Csus2

The handmade blade, the child's balloon

G/b

Eclipses both the sun and moon

Bb6

To understand you know too soon

D

There is no sense in trying.

Pointed threats, they bluff with scorn

Suicide remarks are torn

From the fool's gold mouthpiece

The hollow horn plays wasted words

Proves to warn

That he not busy being born

Is busy dying.

Temptation's page flies out the door

You follow, find yourself at war

Watch waterfalls of pity roar

You feel to moan but unlike before

You discover

That you'd just be

One more person crying.

D A

So don't fear if you hear

D G/b

A foreign sound to your ear

D A G/b A D

It's alright, Ma, I'm only sighing.

As some warn victory, some downfall

Private reasons great or small

Can be seen in the eyes of those that call

To make all that should be killed to crawl

While others say don't hate nothing at all

Except hatred.

Disillusioned words like bullets bark

As human gods aim for their mark

Made everything from toy guns that spark

To flesh-colored Christs that glow in the dark

It's easy to see without looking too far

That not much

Is really sacred.

While preachers preach of evil fates
Teachers teach that knowledge waits
Can lead to hundred-dollar plates
Goodness hides behind its gates
But even the president of the United States
Sometimes must have
To stand naked.
An' though the rules of the road have been lodged
It's only people's games that you got to dodge
And it's alright, Ma, I can make it.
Advertising signs that con you
Into thinking you're the one
That can do what's never been done
That can win what's never been won
Meantime life outside goes on
All around you.

You lose yourself, you reappear
You suddenly find you got nothing to fear
Alone you stand with nobody near
When a trembling distant voice, unclear
Startles your sleeping ears to hear
That somebody thinks
They really found you.

A question in your nerves is lit
Yet you know there is no answer fit to satisfy
Insure you not to quit
To keep it in your mind and not fergit
That it is not he or she or them or it
That you belong to.
Although the masters make the rules
For the wise men and the fools
I got nothing, Ma, to live up to.
For them that must obey authority
That they do not respect in any degree
Who despise their jobs, their destinies
Speak jealously of them that are free
Cultivate their flowers to be
Nothing more than something
They invest in.

While some on principles baptized
To strict party platform ties
Social clubs in drag disguise
Outsiders they can freely criticize
Tell nothing except who to idolize
And then say God bless him.

While one who sings with his tongue on fire
Gargles in the rat race choir
Bent out of shape from society's pliers
Cares not to come up any higher
But rather get you down in the hole
That he's in.
But I mean no harm nor put fault
On anyone that lives in a vault
But it's alright, Ma, if I can't please him.
Old lady judges watch people in pairs
Limited in sex, they dare
To push fake morals, insult and stare
While money doesn't talk, it swears
Obscenity, who really cares Propaganda, all is phony.

While them that defend what they cannot see
With a killer's pride, security
It blows the minds most bitterly
For them that think death's honesty
Won't fall upon them naturally
Life sometimes
Must get lonely.

My eyes collide head-on with stuffed graveyards
False gods, I scuff
At pettiness which plays so rough
Walk upside-down inside handcuffs
Kick my legs to crash it off
Say okay, I have had enough
What else can you show me?
And if my thought-dreams could be seen
They'd probably put my head in a guillotine
But it's alright, Ma, it's life, and life only.
